I. POLICY PURPOSE

The purpose of this policy is to describe institutional policy concerning emeritus status.

II. POLICY STATEMENT

- A. Emeritus status is an honor that may be selectively awarded to full-time faculty and professional staff who retire after distinguished and long-term achievement and service to a NSHE institution or to a NSHE System Administration unit.
- B. The qualifications for this rank are measured in terms of the individual's total contribution to the college, based upon academic achievements, student commitment and service to CSN and Community.
- C. A person granted the title Emeritus/Emerita is considered to have lifetime status as a NSHE employee as specifically outlined below.
- D. Full-time faculty members who attain emeritus status will be listed in the College catalog, invited to participate in academic events and ceremonies, and are entitled to receive a faculty identification card. The latter provides entitlements to library privileges and grant-in-aid privileges for the faculty member, their spouse and financially dependent children. Emeritus faculty will retain life-time email privileges and when requested business cards may be provided.
- E. All invitations for Emeriti faculty to teach classes are at the discretion of the department chair and subject to approval of the dean within resources of the division
- F. Emeriti faculty may teach no more than 8 IUs in any given semester and no more than 14 IUs in an academic year, including summer, for which compensation will be based on the emeritus faculty's summer rate of pay

at the time of retirement or at current adjunct rate, whichever is higher. Emeriti faculty teaching more than 8 IUs in any given semester or more than 14 IUs in an academic year will be compensated at the adjunct rate of pay for IUs beyond these defined limits.
