Utilizing technology to support student recruitment, retention, progression, completion, & alumni relations

MyCoyotePLAN Spring 2018

In spring 2018, a college-wide pilot of MyCoyotePLAN incorporated all courses. During the pilot, 3,689 profiles were created of those profiles 3,527 were created by students. 66 were created by faculty, and 96 were created by staff. 45 individuals created office hours. 638 tracking items were raised. 322 were flags indicating that a change in behavior is needed. 307 kudos were given and nine referrals to CSN services. Also, there 136 student intake forms created to assist in advising and counseling.

MyCoyotePLAN training sessions for faculty, advisors, counselors, service providers and students will continue throughout fall 2018.

MyCoyotePLAN Videos

Thank You to the following CSN students, faculty, and staff for participating in the video:

Eric Garner - staff
 Judy Stewart - professor
 Natalie Nelson - adjunct instructor
 Nouthdaraserey Khim -student
 Sheldon Jacobs - adjunct instructor
 Pamela Bajrami -student

MyCoyotePLAN Champions

As we continue to move forward with the rollout of MyCoyotePLAN, we would like to recognize individuals that have gone above and beyond to champion the development, promotion, and usage of MyCoyotePLAN.

Five CSN faculty or staff members will be highlighted monthly on the CRM website www.csn.edu/crm in the MyCoyotePLAN Champions section.
