Browse the **Services Catalog** or use the **Request Help** option if you can't find what you're looking for through your personalized channels.

Set up your Profile

Begin by setting up your student profile. Your profile lets instructors and advisors know who you are and how to contact you. It also gives you control over how you wish to receive emails.

1. Open the navigation menu and click your name, and then **Profile** to open your profile.

From here, you can customize your profile by uploading a photo, setting appointment reminders, and adding a secondary email address for receiving MyCoyotePLAN emails (e.g. your mobile phone).

To have MyCoyotePLAN emails sent to your mobile phone (in addition to sending to your primary institutional email address):

- Enter the **email address** of your mobile phone in the **Alternate Email** field. This address will be a combination of your phone number plus carrier information. Click the more information icon (📱) for a list of common carriers and email address formats:
- Check the **Also send notifications to my alternate email address** radio button.

2. Once you have made your desired changes to your profile, click the **Submit** button to save your updates.

Connect to people and services that can help you

The **My Success Network** and **Courses** channels display the people and services that are available to help you succeed. Here you can find key contact information as well as links to student service web sites and online appointment scheduling.

The Services that are most relevant to you are displayed first. Select Show Other Services at the bottom of the page to see additional services.

Courses

Select **Courses** from the side navigation menu to display information about courses you are enrolled in as well as contacts and available support related to each. Like the **My Success Network** channel, it is personalized to show the people and services specific to the courses you are taking, and gives you the ability to **Schedule Appointment** or **Request Help** related to a course.

1. Click the Help icon (🗨️) link in the upper, right corner next to any of the courses in which you are currently enrolled.
2. This will bring up the **Request Help** form. Select the **Type** of help needed from the drop down menu and give specific **Details** on how staff can assist you.
3. Click the **Submit** button to submit your request when you are finished.

Make an Appointment

1. From the **My Success Network**, click the triangle beside the name of the person you want to schedule an appointment with, and then select **Schedule**.

For Services where appointments are available, select **Schedule** for the desired service.
